APEC Business Travel Card

What is the Card?

The size of a credit card, the APEC Business Travel Card gives accredited business people streamlined entry to participating economies. This occurs through a simple pre-clearance system that allows business people, through a single application, to obtain a multiple short-term entry to these economies.

The card means an end to the time consuming need to apply for visas or entry permits and an end to long airport queues on entry.

Cardholders enjoy:

- pre-cleared entry to participating APEC economies (no need to apply for visas or entry permits)
- multiple short-term entry to these economies. Cards are valid for three years
- faster immigration processing on arrival
- entry and exit through special APEC lanes at major airports

Who is eligible?

Business people who:

- are passport holders of participating economies
- travel regularly to conduct trade and investment activities in those economies
- Have not been convicted of a criminal offense
- Qualify under the ABTC eligibility criteria as determined by ABTC Philippines.
